Explanation of Charges

Verizon Wireless' Surcharges

Verizon Wireless' Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.

Taxes, Governmental Surcharges and Fees

Includes sales, excise and other taxes and governmental surcharges and fees that we are required by law to bill customers. These taxes, surcharges and fees may change from time to time without notice.

Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

Verizon Wireless' Other Charges and Credits

Includes charges for products and services, and credits owing.

Need-to-Know Information

Customer Proprietary Network Information (CPNI) Notice

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may share your CPNI among our affiliates to market communications-related products and services to you. CPNI will not be shared with unrelated third parties for their own use.

You may choose not to have your CPNI shared for the marketing purposes described above by notifying us by phone any time at 1-800-333-9956, online at www.vzw.com/myprivacy or through Customer Service at 1-800-922-0204 from 6 a.m. to 11 p.m.

Unless you notify us in one of these ways, we may share your CPNI with authorized companies as described above beginning 30 days after the first time we notify you of this CPNI policy. Your choice will remain valid until you notify us that you wish to change your selection. Your decision about sharing your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to the residents of the state of Arizona.

Limiting Notations On Payments

Written notations included with or on your payment cannot be reviewed when bills are processed and will not be honored. Please send such notated payment and any accompanying correspondence to the Correspondence Address on Page 2 of your bill.

Electronic Fund Transfer (EFT)

Your check authorizes us either to make a one-time electronic funds transfer (EFT) from your account or process as a check. An EFT may be withdrawn from your account the same day you make your payment and your check is not returned to you. If you want to be excluded from EFT, please call 1-866-544-0401. If payment is returned unpaid, you authorized us to collect an additional \$25 fee through EFT from your account.

Experiencing A Problem With Your Verizon Wireless Device?

Just contact us toll-free at 1-866-406-5154 from a landline phone. If we can't resolve the problem and the problem is caused by a manufacturing defect within the first year you own the device, we'll send you a Certified Like-New Replacement (either a like unit or one of comparable quality) right to your door.

Returned Payments

In the event your check for payment of your wireless bill is returned by your bank for insufficient or uncollected funds, Verizon Wireless may resubmit your check electronically to your bank for payment from your checking account.

Notice Of Administrative Charge Increase

Effective January 1, 2015, the monthly Verizon Wireless Administrative Charge for voice capable devices will increase from \$0.88 to \$0.95 per line for all eligible customers. The charge for data only devices remains at \$.06. For information regarding this charge, call 1-888-684-1888. Please consult your Customer Agreement for information about rate changes.

Important Information Regarding Your Customer Agreement

Verizon Wireless is updating provisions of your Customer Agreement. The "Dispute Resolution and Mandatory Arbitration" section has been updated to clarify that the section also applies to disputes with employees and agents and that questions of enforceability or interpretation shall be decided by a court not an arbitrator. We also clarified that any changes to the dispute resolution section do not affect the resolution of disputes that arose before the change. In addition, if you renew your contract term in the future, the early termination fee will decline at a new rate. For a complete copy of your Customer Agreement Terms and Conditions, please visit www.verizonwireless.com.
